

Introducing four of our newest and most popular kits. What a group!

NEW NEW NEW NEW

The **Ultimate Adventurer Survival Kit** is the next step in the evolution of the perfect small, yet well stocked, survival kit. Available in two versions, the **Ultimate Adventurer Survival Kit** is quality, compact, durable and designed to save lives..

Available in both civilian and military versions, these **Adventurer Pocket Survival Tins** are some of the highest quality, true pocket survival kits on the market today.

The **Adventurer Survival Sewing and Repair Kit** is much more than your standard sewing kit, it is an emergency repair kit. In addition to high quality sewing items, it includes repair components like **Military Issue 1A Utility Cord**, **Made in USA Duct Tape** and **50 lb tensile strength Kevlar Thread**.
